Dear Dr. Benson:

We have reviewed the audit report on Victoria City-County Health Department for the year ended December 31, 1998. The report was prepared by Harrison, Waldrop & Uherek, Certified Public Accountants. We reviewed the report to determine if Victoria City-County Health Department met the audit requirements of Office of Management and Budget (OMB) Circular A-133.

Our review was limited to an examination of the audit report and related reports on compliance and internal controls. We did not examine the audit working papers nor did we evaluate the adequacy of the audit work performed. In our opinion, Victoria City-County Health Department met the audit requirements of OMB Circular A-133 for the year ended December 31, 1998.

We have made this letter and your report available to appropriate officials in this Department.

Sincerely,

Frank E. Ditmore, CPA
